Lesson Programs

Lynn's Lady Duffers

Come on out and you will always have someone to play with and enjoy this beautiful area with our *New Driving Range at Indian Lake Hills*. This is one of my best programs for *every level*. Lynn's Lady Duffers gives every

level golfer an opportunity to practice while playing. This is a group to work out the kinks and keep

learning about the basics. Show up on the range at 9 am. Start with a tip or two for the day and hit some balls on the range. Then, to the golf course we go. Your Pro Lynn will be playing along, answering any questions you may have, and teaching you strategies on the course.

Free Lessons

This has been one of my most successful programs. People love the tip of the day and the open question clinic style lesson. After the tip, golfers hit balls and Lynn gives personal attention. With this program, *Lynn's tips and time are free*. (\$1 off your purchase of range balls)

Junior Programs

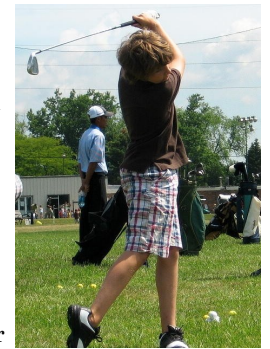

Junior League

This program is for 12 and older. *The Junior League at Indian Lake Hills* objectives are to play golf every week, learn rules and get a handicap. This format for the junior golfer prepares them for

High School and/or learning more about **Tournament Golf**.

Every Tuesday they receive **Instruction** by Lynn Crist, Steve Miller (PGA) and some of our local **Professionals**.

This is not for the very beginner. Junior beginners should attend the Junior Golf Camps at Indian Lake Hills that are offered in June, July and August.

**Every Tuesday!
June 15 to August 10
12-3 pm**

**Junior League
\$5 per session**
